NO COMPLAINTS FILED AGAINST FARM AGENCIES AT LOCAL MEET

The various federal farm agencies, as far as Adams county is concerned, apparently are doing a good job of filling the needs of the farmers.

At least that was one impression gained from the county-wide meeting held Tuesday evening at the court house under sponsorship of the county War Mobilization Board.

Approximately 200 farmers gathered at the meeting, listened to various speakers outline the work of their agencies, then asked a few questions, but voiced few suggestions concerning improvements of the work of the agencies.

Expressing a belief that perhaps the majority of the farmers either wish to give further thought to the matter before expressing opinions, or would rather do so under more private circumstances, the War Mobilization board urged, at the conclusion of the session, that the farmers of the county visit the PMA office on York street and tell WMB Chairman Martin T. Walker their ideas, or put them in writing and mail them to him.

Change Payment Policy
There was some discussion of an announcement that in the future the Production and Marketing Administration will pay for technical work done on farms such as drainage, contour work, etc., only after approval of the finished work is given by the county soil conservation office.

Previously the approval could be given either by the county farm agent's office or by soil conservation district engineers.

Raymond Connolly, Carlisle, farmer field man for the PMA, reported on the change, stating that it was made on a directive from the U.S. Department of Agriculture.

Information Service
County Agent M. T. Hartman, reporting at the meeting on the activities of the agricultural extension association, told the group he "feels relieved" that the department has given responsibility for checking the technical details of farm conservation practices to the soil conservation district. He raised the question, however, of what will be done for the farmer who is able to carry out the details of soils work himself.

PMA Chairman Martin Walter said that the law permits the local Production and Marketing Administration board the right to accept or reject under certain circumstances and that under such circumstances the board could make arrangements to pay for work done by farmers qualified to do their own work.

Extended Service
"At the same time our job cannot extend to helping each individual farmer solve his own problems as such. As an example, our job is to provide the experts to give the general details, and then it is up to each farmer or individual to adapt the general information to his own farm. And our responsibility extends not only to matters pertaining to the farm, but also to nutrition, food, child care and other phases of home management."

C. A. Cluck, manager of the Adams Electric cooperative, said that "while the Rural Electrification Administration is a federal agency the approximately 1,000 electrical cooperatives formed under REA are not federal agencies."

He added: "The REA provided technical assistance in organizing and continuing the cooperatives, but the cooperatives are a group of farmers who borrowed money from the government and must pay it back at 2 percent interest over a period of 35 years. As a result of the REA the number of farmers receiving electricity has increased from ten percent to 90 percent throughout the U.S. In the three counties served by the Adams Electric more than 5,000 farms receive current, including 2,000 in Adams county. Between our own lines and those of the utilities within the area we are able to serve all who want power with the exception of a few hunting cabins in the mountains. There is no subsidy from the government to the cooperatives. And the cooperatives (Please Turn to Page 3)

Return Dog Or Come Get Boy

Detroit, Sept. 12 (AP)—The A. E. Goolsby family, and particularly son, Allan, 4, are blue as can be. Allan's pet dachshund, Fritz, is lost.

Before that the parakeet died and then the goldfish. Allan is broken-hearted.

It has been so severe for the family and everybody that Allan's dad ran this notice in the Detroit Free Press lost and found column today:

"DACHSHUND—Black, female lost. Return for dog of equal value or reward or come and get child that belongs to the dog."

BISHOP LEECH CELEBRANT FOR FINAL SERVICE

The Most Rev. George L. Leech, bishop of Harrisburg, was celebrant for the closing service for annual 40 Hours devotions Tuesday evening at St. Francis Xavier Catholic church.

Rev. Edward Gerrity, Shippensburg, served as deacon and Rev. Frederick Bradel, York, was sub-deacon. Rev. William Lyons, McSherrystown, led the singing of the litany of the saints.

Twenty-one other priests were in the sanctuary for the service which included a procession of the priests, 89 members of the Holy Name society, 40 flower girls from St. Francis Xavier Catholic school and about 30 altar boys. More than 500 jammed the church for the closing service of the three-day devotions.

Tribute To Fr. Stock
Rev. Fr. Joseph Burns, C.M., who conducted the services which began Sunday, in his concluding sermon noted: "Our greatest difficulty seems to be to properly appreciate that we actually have Almighty God present on our altars. Our churches are built to protect the altar, and the altars are built to give a place of honor for Christ, actually present. Our Lord gave His commission to the apostles and their successors on the first Holy Thursday. 'This is My body, and this is My blood' were the words Christ used and the bread and wine became His body and His blood."

Bishop Leech, speaking briefly at the conclusion of the service, noted, "It is edifying to all to see the love of God exemplified by your presence here tonight." He added: "Our prayers and our love go out to Father Mark E. Stock, who for so many years was a devoted pastor here." Rev. Fr. Stock, pastor of St. Francis Xavier church for many years, resigned due to ill health about a year ago.

SOROPTIMISTS' COMMITTEES OF YEAR ANNOUNCED

Under new rules of the North Atlantic region of the American Federation of Soroptimist clubs, the new name of the former Soroptimist club of Gettysburg will be the Soroptimist International Association, the American Federation of Soroptimist Clubs of Gettysburg, Pa. It was announced Tuesday evening by Mrs. Donald E. Myers, new president of the local organization, who served as a member of the constitution and by-laws committee of the region. The first fall business meeting of the local group was held in the YWCA building following a meeting of the board of directors at 7 o'clock Tuesday.

Mrs. Myers announced the members of active committees for the coming year and defined their duties. She also announced hostess committees for the monthly dinner meetings, reporting on a recommendation by the board of directors that the Gavel club, which comprises all past presidents of the organization, assist the chairmen of the dinner meetings in planning a program for each of the meetings. These chairmen, and the chairman of the special committee, social activities, will meet on Monday evening at 8 o'clock at the home of Mrs. Elizabeth S. Hennig on York street. Mrs. D. Fred Slegal, McKnightstown, is chairman of the special committee.

Mrs. Guyon E. Buehler is chairman of the dinner meeting this month. Her committee comprises Mrs. George W. Boehner, Miss Esther V. Hartman and Mrs. Slegal. Mrs. Blaine G. Walter, Biglerville, is chairman for the October dinner, when Founder's Day will be observed. November is the birthday month of the club and the board members will serve as hostesses.

For the December dinner, Mrs. David Blocher, Gettysburg, is chairman. (Please Turn to Page 2)

HOSTETTER BIDS \$319,540 FOR SEWAGE PLANT

Bids ranging from \$319,540 to \$439,100 were received and opened Tuesday afternoon on the general contract for the construction of the borough's proposed new sewage disposal plant additions.

O. H. Hostetter, Hanover, was low bidder on the general contract. His bid was \$319,540. However, the terms of the bidding called for the submission of a certified check or bond covering 30 per cent of the contract price. Hostetter submitted a bond in the amount of \$30,000.

The Municipal Authority gave the Hanover firm until 2:30 o'clock Thursday afternoon to present an additional bond or certified check to cover the full 10 per cent of the contract price.

Receive 3 Other Bids

Three other bids were received. R. S. Noonan, York, submitted a price of \$378,082 for the general work. The Moseman Construction company, Inc., of Camp Hill, bid \$427,500, and the R. N. Luff Construction company, Willow Grove, Pa., bid \$439,100.

Plumbing, heating and electrical work will further increase the cost of the proposed new plant. Only one bid was received for plumbing, and one for heating. The Keystone Grate and Blower Works of Chambersburg submitted a bid of \$2,663.15 for the plumbing, and \$11,534 for the heating.

Two bids were received for electrical work, the Swan Electric company, Hanover, \$23,680, and John Z. Barton, York, \$26,782.

Submitted To Engineers

The bids were received at the authority's offices on Baltimore street. Then the board adjourned to the council chambers at the fire engine house, where the bids were opened. They were referred to Gannett, Fleming, Corddry and Carpenter of Harrisburg, consulting engineers for the authority. If approved, contracts will be awarded on September 27. The next step toward the construction of the sewer plant will be to advertise for bids on a bond issue to pay for it.

The authority also received bids on a new automobile, and awarded the contract to Warren Chevrolet. The latter agreed to furnish a new automobile for \$1,509.60, less a \$350 allowance for an old car.

2 COUNTY GIRLS, 6 YOUTHS JOIN ARMY, AIR FORCE

Announcement of the enlistment of the following Adams county young men and women in the U. S. Army and in the U. S. Air Force was made by T/Sgt. Richard Taylor:

Miss Joan Liversberger, daughter of Mr. and Mrs. George Liversberger, 508 North street, McSherrystown, enlisted in the WAF (Women of the Air Force). She is a sister of William Liversberger who is also in the Air Force. She will train at Lackland Air Force Base, San Antonio, Texas, before going to an air force technical school.

6 Youths Enlist

Miss Jeanne V. Baughman, daughter of Mr. Earl Baughman, 223 North Queen street, Littlestown, enlisted in the WAF. She will also train at Lackland Air Force Base.

Reuben Luckenbaugh, son of Mr. (Continued on Page 7)

Miss Bernice Deatrack Is Married Today

Miss Bernice Deatrack, daughter of Mrs. John Deatrack, 523 Baltimore street, became the bride of Clinton W. Parks, son of Rev. and Mrs. P. C. Parks, North Wilkesboro, N. C., in a double ring ceremony at 9 o'clock this morning. The ceremony was performed in the Presbyterian manse, Taneytown, by Rev. Chester S. Queen.

The bride is employed as a waitress at the Cozy restaurant, Baltimore street.

The bridegroom served four years in the Marine Corps and is now employed in construction work in Hunterstown.

Immediately after the ceremony this morning the couple left on a honeymoon through the Great Smoky mountains, North Carolina. Upon their return they will reside with the bride's mother.

G. R. Thompson Marks His 80th Birthday

G. R. Thompson, Carlisle street, second oldest member of the board of directors of the Gettysburg National bank in point of service, observed his 80th birthday on Monday. The bank presented him with a bouquet of flowers, and Mr. Thompson gave a party for bank officials and staff.

General Marshall Resigns

Washington, Sept. 12 (AP)—George C. Marshall resigned today as secretary of defense. He will be succeeded by the present deputy secretary, Robert A. Lovett.

Marshall, 70, was appointed defense secretary one year ago today. He is quitting "for very personal reasons."

The soldier-statesman, a five-star general, was army chief of staff in World War II and later was secretary of state. He sponsored the European recovery program which became known throughout the world as the Marshall Plan.

Upon the resignation of Defense Secretary Louis Johnson a year ago, Marshall came out of retirement to become the first professional military man to head a U.S. military department since 1916.

STARNER TRIP TO S. AMERICA BEING DELAYED

Myles Starnes, Aspers, Pennsylvania's candidate as an exchange student to the southern hemisphere, will have to wait some time before he can be accepted under the International Farm Youth Exchange program. It was learned today.

Starnes had been nominated by the state as its candidate as one of a number of young farmers to visit farm families in the southern hemisphere starting in November.

Today the National 4-H Club foundation, which was arranging for the government sponsored exchange student tours, notified the local man that he and a number of others nominated by the various states will have to wait some time before the tours can begin.

Only 10 Invitations

Failure of southern hemisphere countries to provide invitations was given as the reason for the postponement. Originally it had been expected that at least 48 exchange students would be invited and each state was asked to provide a nominee.

Only ten countries have so far kept their commitments and only ten persons can be selected to fill the exchange program for November. L. S. Nichols of the National 4-H club foundation reported. Pennsylvania's candidate was dropped from the list because there is currently a Pennsylvanian in Europe under the program. The ten selected are from states which have not had exchange students.

Nichols' letter, however, stated that it is expected that the southern hemisphere countries will carry out plans to receive exchange students at a later date and at that time Starnes will be considered.

GO TO CONVENTION

The Adams county commissioners, Mervin Benner, G. Ed. Taughnbaugh and Clark L. Fellers, and their clerk, Clarence C. Smith, left this afternoon for Wilkes-Barre to attend the annual state county commissioners' convention. The four will return Saturday.

Harry Gross, Bailed On 66 Gambling Counts, Escapes

New York, Sept. 12 (AP)—Harry Gross, missing graft trial star witness sought throughout the nation, received letters threatening the lives of his wife and children before he escaped from police custody, District Attorney Miles F. McDonald said today.

New York, Sept. 12 (AP)—A nationwide manhunt was on today for Harry Gross, missing ex-boss of a \$20,000,000 bookmaking empire and star witness in New York city's mass graft trial of 18 policemen.

Facing a possible 65 years in prison, the dapper gambler escaped mysteriously from his Long Island home last night where he was being held in the protective custody of two cops.

The district attorney's office declined to disclose details of the dramatic flight except to say that Gross drove off in his car, leaving his guards empty-handed. He made his escape two days after the start of the trial of the 18 policemen accused of accepting payoffs to protect Gross' huge gambling syndicate.

The search turned to Chicago early today where there were reports that the missing former bookmaker had been seized at the Midway (municipal) airport. But police said the seizure was a case of "mistaken identity." They identified the man picked up as William J. Gross, 41, a New York food consultant.

Earlier, the New York Daily News reported that another prospective

Tunnel Project Strike Is Ended

Construction work was resumed today on the army's underground project near Fountaindale after a one-day shutdown due to a labor dispute.

Terms under which some 200 rock miners returned to work were not disclosed, however, observers at the scene said normal operations got underway again at the project, which employs some 750 workers.

The situation developed when the rock miners walked out, claiming they were promised a wage increase of 15 cents an hour to \$2 but failed to receive it.

Other workmen left the project yesterday, leaving only some engineers and welders at work.

The underground project is part of the Camp Ritchie, Md., area but extends across the state border in Pennsylvania where tunnels are being bored into the mountains. The army has declined to disclose details of the project, except that it is to be a communications center.

SORORITY TO HOLD ANNUAL FASHION SHOW

Plans for the second annual Fashion Show, to be held October 2 at the Moose home at 8 p.m., were laid Tuesday evening at a meeting of the Epsilon Delta chapter of the Beta Sigma Phi held at the sorority home on East High street.

Mrs. Julian Estep, chairman for the fashion show, reported that adult clothing for the show will be furnished by Tobey's and children's clothes by Mrs. Glenn Guise. Eighteen adult models and approximately as many children's models will be shown.

Plan Hobo Party

In addition to displaying the latest styles in fall and winter clothing the show will also be marked by the presentation of door prizes and numerous samples of various beauty products to those attending. Admission will be \$1 per person with tickets obtainable from any member (Please Turn to Page 2)

Aumen Resigns As Local Fire Chief

James A. Aumen, chief of the Gettysburg fire department, has tendered his resignation, effective at once. He has been chief for 16 years, and a member of the fire company for the past 28 years. No reason was assigned in the resignation, handed to Harold Culp, secretary of the fire company.

Chief Aumen is a son of James B. Aumen, veteran fireman, former chief, president for many years and now president emeritus of the fire company. The elder Mr. Aumen also served in various state firemen's offices, and was instrumental in the organization of numerous fire companies throughout Adams county.

The resignation, it was said, will be presented by the secretary at the monthly meeting of the fire company this evening at 7:30 o'clock in the fire engine house.

SICKLES QUILTS THREE POSITIONS IN GETTYSBURG

Eugene S. Sickles, 30 Baltimore street, today announced his resignation as health officer and fire marshal, and as equipment foreman of the Gettysburg fire department, to take effect October 1.

Copies of the resignation were addressed to Burgess William G. Weaver, the borough council, the board of health and the fire department, as follows:

"I hereby tender my resignation from the offices of fire marshal and health officer for the borough of Gettysburg, and from the office of equipment foreman for the Gettysburg fire department, to become effective October 1, 1951.

"I have tried my best to serve for the health, safety and welfare of the people of Gettysburg, despite existing antique and inadequate laws provided for that purpose, but I now find it impossible to continue the bluff.

"I have done what I could to give the proper care to the thousands of dollars worth of fire fighting equipment housed in our engine house, as well as provide for the convenience of the firemen, and I find myself at a loss to understand the jealousy of a few who resent my efforts.

"I wish to take this opportunity to thank those who have helped me in my past efforts, and I will continue to serve the community to the best of my ability in time of fire or any other emergency, as a member of the Gettysburg Fire Department."

McSherrystown Youth Badly Hurt In Fall

A 17-year-old youth suffered a possible fracture of the back and ribs Tuesday at 5:30 p.m. when a scaffold broke throwing him 45 feet to the ground. He had been repairing the roof of a church rectory in McSherrystown.

The youth, Thomas Storm, son of Albert Storm, 142 Second street, McSherrystown, was moved to Hanover hospital in the Hanover ambulance where his condition was given as "satisfactory" today.

Witnesses said Storm was working with Benedict Yantis, McSherrystown, and Bernard C. Smith, Mt. Rock.

They said Storm was on the roof of the Church of the Annunciation of the Blessed Virgin rectory and as he tried to reach a bucket of tar, which was being lifted by a hoist, he leaned against the scaffold and it broke.

HOLD PAIR IN STABBING CASE

Two Glenville, York county men, Cephas and Dewey Renfro, were re-committed to the Adams county jail this morning in default of \$2,000 bail each after being held for court on aggravated assault and battery charges. A hearing was held this morning before Justice of the Peace John H. Basehore.

State police arrested the Renfros September 7 for allegedly wounding three other men with a knife following an argument said to have taken place at the Locust Inn on the Cross Keys-Hampton road early on the morning of September 1.

One of the alleged knife victims, Clarence Clinton Hoff, of York Springs, was arrested by state police following the hearing, on a simple assault and battery charge. He furnished \$500 bail for a hearing before Squire Basehore Friday morning.

Others said to have been wounded in the affray were Charles Robert Goucher, Hanover, and Melvin Luckinbaugh, also of Hanover. Goucher and Hoff were treated at the Hanover hospital and Luckinbaugh by a New Oxford physician.

Await Red Reaction To U. N. Apology For Strafing; Hope Truce Talks Will Be Resumed

Tokyo, Sept. 12 (AP)—Hope of peace for war-ravaged Korea today balanced gingerly on Red reaction to an Allied apology for accidentally strafing the Kaesong neutral zone Monday.

The question was: Will the Reds accept the U.N. command explanation, or will they demand the same kind of answer to 10 other Red charges of Allied air and ground violations of the neutral Kaesong area?

The Reds broke off truce talks August 23, charging that an Allied plane had bombed the neutral area. The Allies flatly denied this charge.

Chances appeared reasonably good that the Reds would accept the U.N. command explanation of the Monday strafing.

But there was the possibility that the Reds would agree to resume peace negotiations only if the Allies apologize similarly for the 10 other alleged violations of the neutral zone.

Sources close to the U.N. command were optimistic that the talks would be resumed.

These sources said the supreme Allied commander, Gen. Matthew B. Ridgway, has shown his good faith by readily admitting this violation.

But they emphasized he has no intention of being "railroaded" into admitting any Communist charge that has no basis of fact.

Allies Attack On East Front While Waiting For Red Push

U. S. Eighth Army Headquarters, Korea, Sept. 12 (AP)—United Nations divisions attacked northward today across the mountainous eastern half of the Korean fighting front.

The western half was quiet. Allied infantrymen there waited behind powerful defenses to see whether the Reds would gamble on a new breakthrough try.

Gen. James A. Van Fleet, commander of the Eighth Army, said that despite the Communist buildup since the start of the now-suspended cease-fire talks there were no indications that the Reds were ready to launch an offensive.

"I want them to attack," Van Fleet said in an interview. "It's our best opportunity to defeat them."

Can Launch Offensive
He said the Reds were capable of launching an offensive but that there were "no indications at this time" that they will.

"Most indications are of a defensive nature on his (the enemy's) part," the general said. "Red attack would give us a great opportunity" to destroy Communist forces, Van Fleet said.

"That way we would get them in wholesale lots and not have to kick them piecemeal off the hills like we are doing now."

Van Fleet said he thinks an armistice still is possible. He said he believes the Reds will want peace before winter.

"They are in bad shape. They are hurting and we are going to keep them hurting. The enemy will want peace before we get through with him."

Two Objectives
The sharp action in the east stretched from the old Red "iron triangle" buildup area in central Korea almost to the Sea of Japan coast.

It had two objectives: To keep the Communists off balance and to push the main Allied line nearer to a Communist supply road from the north to the central front.

The attacks in the east were called "local and limited objective" assaults.

The Eighth Army already was getting for Korea's sub-zero winter. The first winter clothing is almost ready for issue. Sleeping bags will go to the troops in November.

Jets battled Tuesday for the fourth straight day. Allied pilots reported they damaged one Russian-type MIG-15 and probably shot down another.

No Allied losses were reported. Fifth Air Force light bombers made some of their most successful strikes of the war Tuesday night.

U.N. warships duelled Tuesday with Communist shore batteries on the east coast at Wonsan. The American cruiser Toledo in a daring dash into Wonsan harbor silenced four of six Red batteries in a 45-minute fight.

ANNUAL DRIVE BY GIRL SCOUTS OPENS OCT. 28

The annual financial drive of the Adams County Girl Scout council will be held throughout the county, with the exception of Gettysburg, during Girl Scout Week, October 23 to November 3, members of the board decided at a meeting Tuesday evening in the Girl Scout rooms on Chambersburg street.

Richard Higinbotham, New Oxford, was introduced as the new financial chairman by Alvin Jones, New Oxford, retiring financial chairman.

Plans for the drive provide for a financial campaign among industry to precede by one week the county drive during Girl Scout week.

Mrs. Sheely A Delegate
Gettysburg's share in the operation of the Girl Scouts is raised through the Community Chest and as a result the county-wide finance campaign does not extend to this borough and its immediate rural surroundings, the Girl Scouts noted.

Plans for the national Girl Scout convention, to be held in Boston, October 15 through 18, were outlined with Mrs. Raymond F. Sheely named as one of the two delegates from Adams county to the national meeting. The second delegate will be named later.

Next meeting of the board will be held in the form of a covered dish supper, October 2 at the Marsh Creek Heights home of Mrs. George A. Miller.

WSCS PRESENTS SKIT AT MEET

The first fall meeting of the Women's Society of Christian Service of the Methodist church was held at the church Tuesday evening. Devotions were led by Mrs. M. R. Remmel, on the theme, "The Earth Is The Lord's."

Using the paintings, "The Bedtime Prayer," as background for the worship center, Miss Verna Kitzmiller gave the story of the hymn, "Jesus Kneeled Beside Me," after which it was sung by the group.

A skit, "The Advance Of Ann Skeptical," was presented, with Mrs. Owen Voight as Ann; Mrs. Forrest Craver as Mrs. President; Mrs. Lila Craig as Mrs. Promotion Secretary; Mrs. Floyd Slaybaugh as Mrs. Ideal Member; Miss Verna Kitzmiller as Mrs. Youth Secretary and Mrs. Ted Hay as Mrs. Treasurer.

HANOVER MAN KILLED IN FALL

A Hanover man died Tuesday after an 11-foot fall from the second floor of a house he was helping to build.

Abraham I. Jacobs, 62, died at 5:25 p.m. at Hanover hospital. York County Corner Lester J. Sell said. Jacobs slipped and fell from atop the incomplete wall of the house on Hoke street, Spring Grove, about 3 p.m.

Son of the late Israel and Matilda Jacobs, he is survived by his wife, Sophia Kopp Jacobs; two sons, Albert Jacobs, East Berlin, and Robert Jacobs, Hanover; two stepsons, Charles Glatfelter, Hanover, 3, and Paul Glatfelter, at home; three daughters, Mrs. Lester Altland, Thomasville; Mrs. Raymond Rudisill and Mrs. Sherman Becker, both of York R. D.; five stepdaughters, Mrs. Paul Messinger and Mrs. Gordon Myers, both of Spring Grove; Mrs. John Hockensmith, Hanover, and Mrs. Robert Dettra, Hanover; 45 grandchildren; five great-grandchildren and a sister, Mrs. Edward Finrock, Thomasville R. D.

He was a member of Trinity (Roth's) Reformed congregation and Sunday school.

Rev. John S. Royer, pastor of the Paradise Reformed church, will officiate at funeral services Friday at 2 p.m. at the Trinity church, near Spring Grove. Burial in the adjoining cemetery.

SOROPTIMISTS'

man. Chairman of the hostess committee in January will be Mrs. Hennig. In February, Mrs. George Eberhart will be chairman. For the March dinner meeting, chairman will be Mrs. Charles T. Ziegler.

Other Assignments

Mrs. George Ditchburn was named chairman of the April meeting. For the May dinner, the Littlestown members will be hostesses with Miss Evelyn Altfelt serving as chairman. The dinner meeting in June will be a joint installation dinner for officers of four clubs and will probably be held in Gettysburg.

Chairmen of the standing committees are: Mrs. Walter, civic and welfare; Mrs. Boehner, membership and classification; attendance, Mrs. Hennig; Mrs. Buehler, finance; Mrs. Blocher, ways and means; Mrs. Burton, hospitality; Mrs. Hill, historian, and Mrs. Ziegler, publicity and Sister Club correspondent. Miss Weaver and Miss Hartman comprise the auditing committee.

Mrs. Myers announced the appointment, by the board, of Mrs. Hennig as the club's representative to the Associated Civic and Service group of Gettysburg and herself as the representative on the Women's Civic Council. The civic and welfare committee members were named in charge of prospective blood donors from the membership, following communications from the local Red Cross chapter.

Thanks From Merchants

Six club members signified their intention of attending the fall conference of the North Atlantic Region in Atlantic City, N. J., from October 19 to 21. President Myers is planning to send reservations early and asks other club members interested in attending the conference to contact her before Saturday. Reservations will be made in Haddon Hall.

Mrs. Buehler reported to the club the appreciation of the Retail Merchants' association for assistance at the information booth during the summer. She stated that the club furnished the third highest number of hostesses at the booth since it opened on June 23, or 22 hostesses, each serving a three-hour period. She stated the booth, originally planned for closing on September 15, will remain open until September 22.

Twenty-five members were present. The annual financial report was made by Miss Altfelt, treasurer. Total receipts approximated \$750 and expenses \$685. The retiring president, Mrs. Hennig, read reports of all committee chairmen which summarized activities of the club year. Only one member, Mrs. Baker, attended all the meetings. Several missed only one meeting. Attendance at business meetings averaged 90 percent and dinner meetings, 60 percent of the membership. Hostesses for the dinner meeting this month met with Mrs. Buehler at the conclusion of the meeting.

STOCKS GAIN

New York, Sept. 12 (AP)—The stock market gained strength as the session progressed today and prices advanced fractions to a point or better all along the line. Aircraft shares, mining stocks and steels led the list along the upward path. Rails were close behind and the gains were well spread through the entire list.

State Police Say

Parents of children who ride bicycles should make certain that the bicycles are properly equipped and safe rules of riding adhered to. Their safety depends on the knowledge of and responsibility to the share they have in the mounting traffic pattern.

Social Happenings

Phone Gettysburg 640

Forty members attended the meeting of the Women of the Moose Tuesday evening when reports of the state convention were given by Hilda McSherry and Thelma Yingling, and reports of the national convention by Virginia Lauer, Enola Evans, Laura Swope, Elda Gage and Marie Keller. Senior Regent Marie Keller presided at the meeting.

Dr. and Mrs. J. P. Rhoads, Tioga, visited Mrs. Rhoads' parents, Mr. and Mrs. E. C. Ott, Springs avenue, over the week-end after spending four days in the Poconos. They left Monday to visit Williamsburg, Va., and other points of interest in the south. Mr. and Mrs. Charles Ott, New York city, also spent the week-end with the former's parents. Guests this week of Mr. and Mrs. Ott are Mr. and Mrs. O. H. Coble, Uniontown.

Mrs. Nettie Hawk, 233 South Washington street, has returned after a month's stay at Union Bridge, Md., and is spending some time this week attending the York fair.

Miss Susan Forcey, Wheaton, Md., has returned home after spending a week with her grandparents, Mr. and Mrs. Howard Hartzell, Lincolnway east.

Reservations for the luncheon of the Woman's club of Gettysburg, to be held Wednesday, September 19, at Hotel Gettysburg, must be made by Monday with Mrs. Howard Hartzell, 449-Z, or Mrs. George Albee, 536-W.

Kane and Stanley Lauritis, of Gettysburg. Also present in the sanctuary was the V. Rev. Joseph P. O'Donnell, rector of Mt. St. Mary's seminary.

Bishop Leech spent Tuesday visiting the school here and church property. His formal, annual visitation to the parish will be made later. Bishop Leech announced Tuesday evening.

Wedding

Kelbaugh-O'Donoghue

Virginia Theresa O'Donoghue, daughter of Mr. and Mrs. David Allan O'Donoghue, formerly of Emmitsburg, Md., and now of Baltimore, and Henry Blair Kelbaugh, son of Mr. and Mrs. Kelbaugh, Woodlawn, Md., were married Saturday, September 1, at St. Edward's Catholic church, Baltimore. The Rev. Father Donoghue officiated. Her sister, Mrs. Leroy Fitzgerald, was the matron of honor. The best man was John Mishar and ushers were Charles Chamer, David O'Donoghue, Jerry O'Donoghue and Louis O'Donoghue, brothers of the bride. Jack Blair, cousin of the bridegroom, was the soloist. A reception was held at the family home, 2702 Mosher street, Baltimore, where breakfast was served to about 50 guests. Mr. and Mrs. John A. O'Donoghue, of "Bella Vista," near Emmitsburg, and Mrs. Marie Gloninger Rial, near St. Anthony's, attended the wedding. Mr. and Mrs. Kelbaugh will reside at Woodlawn, Md.

TRANSIENT BURIED

A requiem mass was said this morning at 9 o'clock at St. Francis Xavier Catholic church with the Rev. Anthony F. Kane as celebrant for Peter Monroe, who died September 4 at the Warner hospital. Interment was made in the church cemetery with Joseph Rosensteel, Leo McDermitt, George Haenn and James Sneeringer as pallbearers. An itinerant, Mr. Monroe was found ill along a highway and taken to the hospital here.

BIRTHDAY PARTY

A birthday party was held recently at the home of Mr. and Mrs. Charles Abell, South Washington street, in honor of Mr. Abell's mother, Mrs. William Abell. Those present were: Mr. and Mrs. George Reeve, Sr., Mr. and Mrs. Allen Walters, Mrs. Marie Chamberlain, Charles Joseph and Teresa Abell, Patricia Chamberlain, Cora Perdue, Clifford and Marjorie Wagaman. The guest of honor received many gifts. Refreshments were served.

Washington, Sept. 12 (AP)—The Big Three foreign ministers turned today from preliminary talks to the West's grand strategy in the struggle against Communist aggression. Efforts to "contain" Soviet pressure and terms of a partnership deal to be offered West Germany were major topics before Secretary of State Acheson, British Foreign Secretary Herbert Morrison and French Foreign Minister Robert Schuman.

Bible Class Plans Fair In November

Plans for the annual Country Fair were outlined Tuesday evening at a meeting of the Maude Miller Bible class held in the dining room of St. James Lutheran church. The fair will be held November 9 and 10, with the membership planning to "outdo" previous presentations of the fair. Again this year the organization plans to construct booths and decorations within the social rooms of the church to recreate the atmosphere of an actual country fair, members of the class decided.

Hostesses for Tuesday's meeting were Mrs. Henry T. Bream, Mrs. Paul Bricker, Mrs. Fred P. Haehnel, Mrs. Anna Heintzelman and Mrs. Paul Group.

Local Woman Buys Millinery Business

Mrs. Rose B. Sanders, who has been manager of Kuhn's Millinery, 130 Chambersburg street, for six years, has purchased the half-century-old establishment from Mrs. Charles Koch, Harrisburg.

The business was founded by Mrs. Koch's sister, the late Miss Emma Kuhn, and it will continue under the name, "Kuhn's Millinery."

Mrs. Sanders has been in the millinery business for many years and learned her trade from her sister-in-law, Mrs. Amy Riley, Gettysburg.

Rev. B. F. Lightner Buried On Tuesday

Funeral services for the Rev. Benjamin F. Lightner, 92-year-old member of the local church of the Brethren who died in the Warner hospital last Friday evening, were held Tuesday afternoon at 2 o'clock at the Bender funeral home with the Revs. Robert Knechel and Walter A. Keeney in charge. Interment was made in Evergreen cemetery.

The pallbearers were Levi Ogburn, Mervin Kepner, Harry Harman, Frank Miller, Cyrus Bucher and Lawrence Hartman.

Assisted With New Commentary

Dr. Raymond T. Stamm and Dr. Jacob M. Myers, members of the faculty of the Gettysburg Lutheran Theological seminary, assisted in the preparation of "The Interpreter's Bible," a 12-volume commentary on the Bible published by Abingdon-Cokesbury Press, which will be formally presented at a dinner at the Commodore hotel in New York city tonight.

The celebration dinner will follow a dedication service for the work at New York's Christ church.

SIX DIRECTORS ARE RE-ELECTED

Six directors of the Knouse Foods cooperative, elected last year for one year terms, were renamed for three-year terms Tuesday evening at the annual stockholders' meeting held by the cooperative at Peach Glen.

Three hundred and twenty-five stockholders and their wives were present for the affair. With the organization of the cooperative a year ago, six of the directors were named for one-year terms, six for two years and three for three-year terms. Starting this year all directors will be named for three-year terms thus providing for election of six directors each year.

The men renamed were William M. Lott, Gardner R. D.; Lloyd W. Garrettson, Arendtsville; F. A. Heisey, Mercersburg; R. C. McDonald, Shippensburg; C. E. McPadden, Mercersburg, and Fred L. Glaise, Jr., Winchester, Va.

M. E. Knouse, president of the cooperative, presided at the meeting and gave a resume of the outlook for the fruit crop this year.

Reports were presented by department heads Ralph E. Arnold, sales; John Peters, director of procurement; Paul Zeger, controller, and Edward J. Nowicki, Jr., production. Each outlined the work of his department.

DEATHS

The funeral of Mrs. Bertha Daugherty, widow of Harry D. Daugherty, Gettysburg R. 3, who died at the Warner hospital Saturday evening, was held this afternoon at 2 o'clock from the Bender funeral home. The Rev. Charles E. Held, Mt. Joy Lutheran pastor, and the Rev. Philip Bower, Emmitsburg, officiated. Interment was made in Evergreen cemetery. The pallbearers were Edward, Philip and Frederick Hughes, Mervin Eyer, Paul Dougherty and Robert Shryock.

Mrs. Bream Buried

Mrs. Denna Mae Bream, 82, wife of John M. Bream, Biglerville, was buried at private rites this afternoon at 4 o'clock. Services were held at the Bream home on East York street with interment in the Biglerville cemetery. The Rev. Henry W. Sternat, Biglerville Lutheran pastor, officiated. Mrs. Bream died early Monday morning at her home after an illness of six months. The bearers were Clayton Sterner, Kenneth Awine, Charles Myers, Harry Schriver, Willis Pitzer and Robert Walter.

Mrs. Theodore Witmer

Mrs. Edna Dellinger Witmer, 43, wife of Theodore Witmer, died Tuesday at her home near Strinestown. She was a member of the Reformed church of New Chester.

In addition to her husband, she is survived by a daughter, Mrs. Roy Reedy, and a son, Sterling Eugene, both at home; her father, Robert Dellinger, of New Oxford; and five sisters, Mrs. Roy Stock, Mrs. Cletus Millhimes and Mrs. George Deatrich, all of New Oxford R. D.; and Mrs. Andrew Lehman and Mrs. William Miller, both of New Oxford.

Brief funeral services Friday at 1:30 p.m. at the residence with further services at 3 p.m. in Pine's Lutheran church. The Rev. Jacob Zept of Dover Evangelical United Brethren church, assisted by the Rev. Samuel Clarke of Pine's Lutheran church, will officiate. Burial in the Pine's cemetery. Friends may call at the home Thursday night.

Laurel Race Course Increases Purses

Laurel, Md., Sept. 12—Continuing a policy announced when the present management took over Laurel Race Course last fall, President John D. Schapiro has announced that for the 14-day fall meeting, October 10 to October 25, Laurel will offer greatly increased purses in hopes of attracting the best horses in training.

Exclusive of stakes, purses offered amount to \$350,000 or an average of \$25,000 per day, much more than was offered during the spring meeting, the first under the present management. Five stakes also will be presented and their combined value will be \$62,500.

MUST PAY SUPPORT

Bruce A. Buop, Gardner R. 1, who pleaded nolle contendere to a morals charge in Cumberland county court, was directed by Judge Dale F. Shughart, Carlisle, Tuesday to pay costs of prosecution, \$105 for medical expenses and \$5 a week for the support of a child until it becomes 16 years of age. Robert Buop, Aspers, was indicted by the grand jury on a charge of larceny and fraudulent removal of an automobile.

TRUCK UPSETS

Edward Leitelt, Port Matilda, escaped injury when a tractor trailer he was operating upset on the Sheppard and Myers dam road detour, near Hanover, about 9:15 o'clock Tuesday morning. The vehicle, loaded with glass jars, was southbound and turned over on its side when several wheels ran off the roadway. State police of the Gettysburg detail estimated damage at \$500.

BIRTH ANNOUNCEMENTS

EX-GENERAL IS TOUGH ON PAR

Bethlehem, Pa., Sept. 12 (AP)—A silver-haired brigadier general from the southwest is threatening to march off with the 51st annual National Amateur Golf championship right under the noses of defending champion Sam Urzetta and four illustrious Walker cup teammates.

The officer of World War II, Ken Rogers, slick Oklahoma City shot-maker, has made America's ranking amateurs sit back and take notice with his brand of par-wrecking golf. While none of the top-flight linksmen have exactly burned up the long-playing, 6,979-yard Saucon Valley Country club course, Rogers has turned in two front nine-hole rounds of two under par 34.

Rogers opened his bid for the national title by blasting Edward Ervasti of Normandy, Mo., 8 and 7, and yesterday he continued to reel off spectacular shots with a 3 and 2 triumph over John Weaver of Houston, Tex.

Today, the former army brass gets a chance to show whether he has endurance as well as mechanical golfing ability. The 64 surviving amateurs play to 18-hole rounds and before the sun sets on this beautiful Lehigh Valley course, the men will have been separated from the boys.

Rogers meets Edward A. Johnston of Towson, Md., and, should he win would face the winner of the Bob Eckis-Don Addington match. Eckis, who ousted Walker cupper Bob Knowles in round one, hails from Kenmore, N. Y., and Addington calls Dallas, Texas, home.

Washington, Sept. 12 (AP)—President Truman today nominated Chester Bowles, former governor of Connecticut and World War II price boss, as ambassador to India. Loy W. Henderson, the present envoy to India, was nominated to be ambassador to Iran, succeeding Henry F. Grady. Grady's resignation was accepted "with the greatest reluctance."

Washington, Sept. 12 (AP)—An unusual U.S. battle casualties in Korea reached 82,362 today, an increase of 596 since last week.

SORORITY TO

(Continued from Page 1)

ber of the sorority, Mrs. Estep said. Mrs. Charles Kuhn reported on plans for the annual "rushing" activities of the sorority. A hobo party will be held September 18 at 8 p.m. at the sorority house and a preferential tea will be served from 3 to 5 o'clock in the afternoon on October 14 at the home of Mrs. Robert Berkheimer, Lincolnway east. The pledge ceremony will be held October 26 at 8 p.m. at the YWCA.

Mrs. Kuhn was elected and installed as first vice president to fill the vacancy caused by the resignation of Jane DeWolf Bachensky, who moved to near Washington. Helen Spangler was named as chairman of a committee to sell vanilla to earn a coffee urn for the organization.

Mrs. Donald Sheely resigned as a representative from the sorority to the Adams County Home auxiliary. Mrs. George Gilbert was retained as representative of the sorority to the county home auxiliary. The president, Miss Margaret Spangler, presided at the meeting with 26 members present.

CAR AND TRUCK COLLIDE

An automobile operated by Richard E. Strouss, 43, of 451 West Middle street, Hanover, and a pickup truck owned by Jack Hanish and Sons, York, and driven by Harry E. Mease, 46, of York, collided at the Mummet meeting house intersection north of Hampton at 4:15 o'clock Tuesday afternoon, state police of the Gettysburg substation reported today. No one was injured. Damage to each car was estimated at \$30.

Engagement

Hensel-Shank

Mr. and Mrs. H. E. Shank, Hagerstown, announce the engagement of their daughter, Miss Catherine Marie Shank, to C. Joseph Hensel, Hagerstown, of Mr. and Mrs. Leo Hensel, of New Oxford.

Miss Shank is a graduate of St. Mary's high school with the class of 1948 and of the Washington County Hospital School of Nursing with the class of 1951. She is now on duty at the Hagerstown hospital as a staff nurse in the pediatrics department. Mr. Hensel was graduated from Delone Catholic high school, McSherrystown, and studied art in Gettysburg. He is at present associated with Pangborn Corporation in the art department.

The wedding will take place in the early fall.

Dedicate Church Home On Sunday

Dedication services will be held Saturday at the \$400,000 Evangelical and Reformed Homewood Church Home for the Aged near Williamsport, Md. The public is invited to the ceremonies which will get underway at 2 p.m.

On Sunday ceremonies will be held commemorating the first anniversary of the laying of the Homewood cornerstone. The public is also invited to attend this ceremony, which will start at 3 p.m.

The new home is located on U. S. Highway 11, four miles west of Hagerstown. It is a three-story building faced with red brick and accented with limestone trim. Homewood will have accommodations for 52 residents and its operating staff. It is completely modern and fireproof and will enable the church to accommodate a larger number of aged and infirm persons from the Mercersburg, Potomac and Southern Synods and the Juniata area of Central Pennsylvania's Synod. Prior to the building of the new Homewood home, residents were housed in a two-story building on Virginia Avenue in Hagerstown.

BROWNS SWEEP PAIR AS TRIBE RESUMES LEAD

By JOE REICHLER

(Associated Press Sports Writer)

A band of weary Cleveland Indians staggered out of Philadelphia today, their warpaint smeared their tomahawks bent, but safely ensconced in first place in the American league race.

Fortunate to escape from the City of Brotherly Love with a split in yesterday's two-night doubleheader, the Tribe today owned a full game advantage over New York.

While Cleveland was thrashed 9-5 by the giant-killing Athletics after squeezing out an 11-inning, 6-5 victory, the Yankees were struck by lightning twice.

Browns Stun the World

The lightning came in the form of the usually-inert St. Louis Browns who stunned the baseball world by inflicting 4-3 and 6-3 defeats upon the defending champions. The twin loss not only sent the Yankees reeling out of first place but dropped them a full game behind the Indians and only four in front of the third-place Boston Red Sox.

A former Boston pitcher and three erstwhile Cleveland chatters led the Browns in their slaughter of the Yankees. Jim McDonald, whom the Red Sox earlier this year had sent to Louisville, pitched and batted the Browns to their first-game win. McDonald's ninth-inning, two-out single scored Fred Marsh, an ex-Indian, with the winning run.

A three-run homer by Cliff Mages, another former Indian as well as a Yankee, provided St. Louis with the winning margin in the nightcap. The victory went to Tommy Byrne, who the Yankees last June traded to the Browns. The left-hander, however, was kayoed in the sixth and it took a sterling relief job by Satchel Paige to nail down the triumph. Paige was a member of the Indians' championship team of 1948.

Red Sox Gain

It was a profitable day for the Red Sox, who picked up a game and a half on the Yankees and a game on the Indians by beating Detroit, 4-3. A three-run eighth inning outburst enabled them to overcome a 3-1 deficit.

Elsewhere Washington ended a nine-game losing streak with a 10-inning, 7-6 victory over the Chicago White Sox.

Brooklyn moved a step nearer to clinching the National league flag, shutting out Cincinnati, 7-0, as the St. Louis Cards held the New York Giants to a split. Cliff Chambers, Redbird left-hander, stemmed a three-run, ninth-inning uprising to walk off with a 4-3 win after the Giants had clubbed out a 10-5 opening victory. The Dodgers' lead is now six games over the Giants.

Phils Break Streak

Philadelphia's Phils nipped Pittsburgh, 3-2, to snap a six-game losing streak and Chicago's Cubs outslugged Boston's Braves, 13-11.

Superb relief pitching by Early Wynn, who won his own game with an 11th-inning triple, saved the Indians from suffering the same fate as the Yankees. Twice Wynn pitched himself out of trouble with the bases loaded, in the ninth and tenth, before he broke up the game.

The loss was the tenth in a row for Carl Scheib. The victory was Wynn's 18th against 12 defeats.

The A's watched a 4-1 lead, built at the expense of Bob Feller, go up in smoke when Cleveland rallied for four runs in the eighth to take a 5-4 advantage. The fighting Philadelphia club, however, roared back with five tallies in the bottom of the eighth on only three hits, a couple of walks and some loose play by the Indians. Zernial's RBI single was the only solid blow off loser Lou Brissie and Mike Garcia. Bob Hooper was the winner.

Interstate League

By THE ASSOCIATED PRESS

Bob Miller, sent down by the parent Philadelphia Phillies, last night pitched the Wilmington Blue Rocks into a 2 to 0 lead in the Interstate league final playoff series with a four-hit, 6 to 1 victory over the Sunbury Giants.

For five innings his craftiness was matched by the skill of Sunbury's ace righthander Rudy Yandoli. But the Rocks, trailing 1 to 0, cut loose with a four-run rally in the sixth inning, then made it extra measure with two more tallies in the seventh.

Miller, a lusterless performer with the National league Phils earlier this year, struck out four batters and did not yield a walk.

Yandoli, on the other hand, was constantly in trouble, even though the Rocks did not score until the big sixth inning when nine men went to bat. After that Charlie Tedesco took over the chugging for the Giants. He was in turn relieved by Erv Burton in the eighth.

The two teams play the third game of the series tonight.

LOCAL GOLFERS WIN

The lady golfers of the Gettysburg Country club won 13½ to 3 over the ladies of the Hanover Country club, Tuesday in an 18-hole match. Thirteen of the local ladies were guests of the Hanover club.

Sports Roundup

By HUGH FULLERTON, JR.

Bethlehem, Pa., Sept. 12 (AP)—You might expect a few unusual ideas from a guy who lifts heavy bar bells in preparation for swinging a 13 or 14 ounce golf club. . . . And you get them from muscle man Frank Stranahan. . . . Frank's interest in weight-lifting and healthy diets are pretty well known. . . . And few people are surprised when he comes into the grill room at swanky Saucen Valley with a brown paper bag full of fruit and orders a glass of milk to go with it for his lunch. . . . They know he could buy lunch for everybody in the house if he felt like it, but he only eats what he wants. . . . And still another idea is that any athlete, including himself, can do better when he's tense instead of relaxed. . . . That's contrary to golf dharma, but after Frankie was abruptly ousted from the 1951 amateur golf championship in the first round he was arguing that it was keyed up players who account for most of those upsets. . . . "They get so tense they can do anything," said Stranahan. "I've noticed the same thing in weight lifting. When I'm in competition I can lift 20 pounds more than I can in practice. . . . Usually I have a way to cool these fellows off. You hear about players who never say a word to their opponents. I like to talk to them casually. But I couldn't get to this fellow." The fellow, Bob Kuntz, was hot, whether he was tense or relaxed. The day after he was knocked off Stranahan, Kuntz shot a 34 on the first nine against John Cameron and just breezed through.

Story heard around the golf course is that Tom Hamilton is bringing his Pitt football team to Bethlehem for a scrimmage against Lehigh Saturday with a dual purpose in mind. He wants to test his defenses against a split-T offense and he wants to observe Bill Leckonby's coaching efforts. . . . Tom, you remember, returned to coaching this year only as a temporary measure and Bill could be high on the list of candidates for 1952.

Eyesight problems are found to be four times as common in eighth grade as in first grade.

Biglerville Gridders Host To Washington Twp. 11 Thursday

Victim of a surprise 12-8 upset last Friday night at Littlestown, the Biglerville high school football squad is bent on recording its initial victory of the season Thursday evening at 8 o'clock when Washington Township will be met on the Cannons field.

Coaches Hobart Benchoff and William Coradetti pitted their Biglerville team against Gettysburg high in a scrimmage Tuesday in an effort to have their team in the best possible condition for the Bulldogs.

Far from being disheartened after dropping their opener, the Cannons are in a high mental condition for their initial home game. The lineup is expected to be the same which opposed Littlestown. It will include Bill Jacobs, Ken Trimmer, Fritz Starry, Bob Baker, Dave Mentzer, Cecil Sando and Paul Harman, on the line, and Harold Warner, Dean Starry, Elson Grim, Decker and Coulson, backs.

Washington Township got off to a flying start in its opener last Friday by easily defeating Juniata Joint high 34-19.

The Bulldogs will be seeking revenge for a number of defeats at the hands of the Cannons in recent years and believe this is the year to turn the trick.

Coach Jim Martz was able to use his entire squad against Juniata and after the game said "they looked plenty good and played a great game."

One of the big guns on the attack for Washington Township is expected to be Shindedecker, hard-running back, who tallied three touchdowns and booted four extra points in last week's game.

A large opening day crowd is expected to be present Thursday evening for what promises to be a close contest.

PICK SUGAR RAY TO BEAT TURPIN

New York, Sept. 12 (AP)—The most eagerly awaited prize fight of recent years is scheduled to take place out around second base at the Polo Grounds tonight when Randy Turpin of England, a pugilistic upstart, gives Sugar Ray Robinson of Harlem a return shot at the middleweight title he won from him in London two months ago.

American fans have never fully recovered from their shocked amazement of July 10 upon learning that Sugar Ray, regarded by many experts as the most superlative ringman of the generation, had dropped his 160-pound crown to the 23-year-old Turpin in 15 rugged, bloody rounds.

Tonight they will come close to packing the huge baseball park to its capacity of 55,000, weather permitting, to watch the Harlem hot-shot seek his revenge. At \$30 the spectacle will afford the throng an opportunity either to vindicate its judgment of Robinson as a great fighter or to hail Turpin as a true champion.

A tremendous advance sale which might reach \$600,000 before the two men enter the ring at 9 p.m. (EST) has been spurred by the knowledge there will be no television or radio. Audiences in 11 cities outside New York will, however, be privileged to watch it on movie screens at prices ranging to \$2.60.

The two were due to weigh in at noon today at the offices of the boxing commission in the lower city, a feat somewhat comparable to holding a three-ring circus in a phone booth. Neither has had any difficulty making the weight. Turpin was expected to do about 158, Robinson 157. In their first fight the Englishman had a pull of nearly four pounds.

Robinson has been a firm betting favorite ever since the return bout was set—and a vast majority of American experts favor him to win, mainly by a decision in the full 15 rounds.

DAYHOFF TALKS AS EAGLES FETE BASEBALL TEAM

Harry O. Dayhoff, Harrisburg commissioner of parks and safety, and nationally-known football official, was the principal speaker at a banquet tendered by Gettysburg Aerie, Fraternal Order of Eagles, Tuesday night for members of the Eagles baseball team of the Mason and Dixon league.

The dinner was held at the Eagles' home, Chambersburg street, with 55 members of the team, embracing youths between 13 and 18 years of age; officers of the Eagles and their wives and other guests present. Horace L. Bender, secretary of the lodge, was toastmaster. Guests included the fathers and mothers of the baseball players.

Henry T. Bream, Gettysburg college football coach, whose son played on the Eagles team, was among the guests. He was given a lifetime membership in the lodge in honor of his 25th anniversary as coach at the college and in recognition of his work with youth, at the college and in Gettysburg.

Gifts For Oyle
Mr. Dayhoff, who was a football player at Bucknell when Mr. Bream and Mr. Bender were playing for Gettysburg college, added his tribute to the Gettysburg coach's career and accomplishments. He also praised Recreation Director Donald Joseph for the work he is doing among the youth of Gettysburg.

To members of the baseball team, Mr. Dayhoff stressed good sportsmanship and the value of athletic competition in later life.

Paul A. Oyle, coach and manager of the Eagles team, received several gifts for his work with the team.

Mr. Bender explained the youth guidance program of the Eagles among its 1,900 aeries in the United States, and its memorial fund for children of men killed during World War II. The guidance program, Mr. Bender said, aims to foster sports and other youth activities to reduce juvenile delinquency. The memorial foundation provides education, medical and dental care and other benefits for children of men killed in the war, Mr. Bender said.

FEW WILL USE 'PRODIGY' LAW

Harrisburg, Sept. 12 (AP)—If your child is a prodigy, he may get a chance under a new law to start school before the minimum age of five years and seven months. But the state Department of Public Instruction said today that the chance is only a slim one.

Carl D. Morneweck, chief of child accounting and research, said numerous school districts are not applying the law to permit youngsters to enter school as soon as they show a mental age of six.

He said this is because the law is "purely a discretionary one." Local school districts make their own decisions on whether to permit precocious children to begin first grade before their time. "Many school districts are adhering to the previous policy of allowing none to enter under the age of five years and seven months," Morneweck said.

The law was signed on August 17 by Gov. John S. Fine. It permits any child to enter school when the county supervisor of special education or a certified public school psychologist finds he has reached the mental age of six.

"This law never will cut the figure that some persons thought it would," Morneweck asserted. "It was designed to take care of the very exceptional child and will not break down the barrier to mass entries of children who are too young." He said that in the entire city of Pittsburgh only 42 children took a test to determine whether they could begin first grade at below five years and seven months.

In Philadelphia, the board of education has announced it will not permit any child under five years and two months to begin school. Harrisburg has a minimum of five years and five months.

Richard Long Reports

Richard Long reported on the work of the Soil Conservation District in aiding farmers in such problems as soil erosion, strip cropping, farm pond construction, etc. Approximately 400 farms have received aid from the Soil Conservation district in Adams county so far, he said.

Raymond Connolly gave details of the work of the PMA and answered a number of questions involving grain loans and storage.

Robert E. Stover, York, who also has an office with the PMA and Soil District here, reported for both the Farm Credit Administration and National Farm Loan association at the suggestion of Kenneth F. Miller, of the National Farm Loan administration.

The FCA, which establishes co-operatives to lend money for long term mortgages through the Federal Land Bank of Baltimore, was established in 1916 to help farmers who were paying for eight to 16 percent for their mortgages. Between the two agencies both long term farm loans and short term credit can be given, Stover said, "but the purpose of our loans is to get the farmer out of debt. They are amortized so that at the completion of the term of payment the debt is paid off."

TWENTY-FIVE YEARS AGO

Two Couples Wed At Bendersville:

Two couples were married recently at the Lutheran parsonage, Bendersville, by the Rev. O. D. Coble. On Saturday evening Miss Ruth E. Brough, Aspers, and Clyde A. McCauslin, Biglerville, were joined in wedlock, and on Thursday evening, September 9, Miss Esther Marie Shelly, of Bendersville, and Edgar Norman Gibb, of Mount Holly Springs, were married.

Parade Features Firemen's Meet At Bonneauville: To the stirring roll of drums of the Gettysburg Drum Corps, the firemen of Adams county, nearly 1,000 in number, marched through Bonneauville Monday morning at the fifth annual convention and picnic which was held there.

The headquarters and the place of meeting were in the school hall at Bonneauville. The Rev. P. Enright, Bonneauville, had the address of welcome. G. A. McClellan gave the response to the welcome. The officers of the association, who came up for re-election, were:

President, James B. Aumen, Gettysburg; secretary, George F. Felix, McSherrystown; and treasurer, Dr. Eugene Elgin, East Berlin.

Couple Married At Fairfield: Miss Olive Amelia Keady, daughter of Mr. and Mrs. Albert Keady, of Orrtanna, and Calvin B. Musselman, son of Mr. and Mrs. Charles Musselman, of Gettysburg, were united in marriage Monday morning in St. Mary's rectory, Fairfield, by the Rev. Richard H. McLaughlin. The ceremony was witnessed by Mrs. Albert Keady and Miss Pauline Keady.

Henry Bream To Coach Freshmen: To succeed Lester Gingerich, named as coach of all freshman athletic teams at Gettysburg college, officials have announced the appointment to that position, of Henry Bream, of Gettysburg, one of the foremost athletes ever graduated from the local institution.

Gingerich was named coach of the freshman teams last spring, but since then he has decided to enter business.

Bream graduated from college three years ago, and for the past two years has been teaching and coaching at Phoenixville.

Coffield-Bowers: Miss Martha Bowers, daughter of Mr. and Mrs. George W. Bowers, Breckenridge street, and R. Carlton Coffield, of Washington, D. C., were married Sunday evening in Westminster by the Rev. Charles M. Elderidge.

The bride, a graduate of the Gettysburg high school, has been employed at Keet's Drug store for the past year.

The bridegroom is employed in Washington, where the couple will later reside.

235 Enrolled In Xavier School: With twenty-six pupils entering the first grade, the first season of the year was held Tuesday morning after a mass for the children at 8 o'clock in the church with the children reciting the Rosary and the Litany.

Two hundred and thirty-five children are enrolled in the school, with the graduating class consisting of eight students.

Y. W. Secretary Assumes Duties: The provisional committee of the Adams county Young Women's Christian Association met Miss Metta Mitchell, who has been secured as the first secretary, at a meeting Wednesday afternoon.

In the absence of Mrs. M. Hadwin Fischer, chairman of the provisional committee, Mrs. R. S. Saby presided.

Miss Slaybaugh Goes To Africa As Missionary: One of the youngest missionaries to Africa from the Pentecostal church in America is Miss Carrie May Slaybaugh, of Arendtsville, who left Monday evening on the first leg of a 10,000 mile journey to Capetown, South Africa.

Miss Slaybaugh, a daughter of Mrs. Elmira Slaybaugh, is 28.

Today's Talk

By GEORGE MATTHEW ADAMS

FOR THE ENJOYMENT
OF OTHERS

It is good to learn as early in life as possible that the most genuine enjoyment is that which you give to others. Sole personal enjoyment has its place, but it is only secondary to that which places others first. But next to both of these is the enjoyment that is shared by all concerned equally.

The actor, or other artist in expression, gains personal enjoyment in what he does, but if it is not shared by others his own enjoyment withers. Those unselfish entertainers who go to the battle fronts, wherever located, in order to carry enjoyment to our fighting forces, give themselves personal enjoyment, but far more it is enjoyment, and a great morale builder, for those boys so far from home.

Often it takes personal sacrifice to bring enjoyment to others, but there is no investment in the spiritual dividends!

The head of a great cotton mill in the south once asked me to go with him to his institution and meet the heads of many of the departments there. I protested I was sure it would mean nothing to them, but he replied that it might mean nothing to me, but that it would mean much to them, for he said they read my brief Talks each day in their local newspaper and would enjoy meeting me. I gladly consented, and it made me happier than I had any idea that it would.

I believe we all miss many an opportunity to enlarge upon our daily happiness and enjoyment by failing to take others along with us, for solitary enjoyment leaves us so quickly, whereas enjoyment given to others, or shared with them, assures to us its happy memory.

Cities create a fine investment for themselves by creating parks and playgrounds for their children, as well as good libraries, art museums, and efficient schools. These are investments far exceeding their monetary cost. You have probably heard that famous line from the Chinese: "Enjoy yourself, it is later than you think." Why not state it this way: "Give enjoyment to Others, it may be for them later than they think!"

Tomorrow Mr. Adams will talk on the subject: "Be Bold With Praise." Protected, 1951, by The George Matthew Adams Service.

APPLES AND HONOR
The man who owns an apple tree
Set out for passing boys to see
Should one, to snatch one, dare
to climb.

Could charge the youngster with
a crime
And into prison have him thrown
For taking what was not his own.

Time was a fruited apple tree
Oft made a criminal of me.
I could not honestly say I knew
When I passed by where apples
grew.

I had but once at them to glance
And then decide to take a chance.
Perhaps it's stealing, but I think
At such a wrong the Lord would
wink.

And add, mean men should never
be
Allowed to own an apple tree.
I'd say, as boys, all famous men
Have nipped an apple now and
then.

An apple tree beside the road
Makes boys forget the honor
code.

Building Ideas For Home Owners Of This Community

The Alton: Ranch Style, New England Air

Rooms five
Bedrooms two
Bathrooms one
Closets six
Cubage 21,600 ft.
Dimensions 70' x 30'

With overall dimensions of 70' x 30' this house would require a good sized lot, one at least 80 feet wide.

Shutters are coming back into their own once more, although they owe their present day popularity to their decorative abilities. In the Alton the shutters form the perfect frame for the old-fashioned paneled windows. Shutters and paneled windows are used in the garage, too, and help to tie the house and garage together as one decorative unit.

The front door opens to the right off the porch and leads into a good sized entry hall. A large coat closet occupies about one-third of the hall area and makes an ideal spot to hang guests' wraps.

From the entry hall you walk directly into the extra-large living room which measures 20 by 14 feet. Well-lighted by two windows in the back wall and the one large picture window that looks out on the front porch, the living room also boasts a large fireplace in the left wall.

A doorway in the back right corner of the living room opens on the terrace.

Cellar stairs separate the living room and dining room which is 11 by 9 feet. A glazed door from the dining room also looks out on the terrace and here again a French door would be both practical and decorative. Windows flanking this door help to bring daylight and sunshine into the dining room.

Against the long unbroken left wall would make an excellent location for your long buffet. You'll find the built-in cabinet in the corner, where the front and right walls join, will come in mighty handy for storing your fine chinaware; the cabinet enables you to use this lovely china to increase the decorative appeal of the dining room.

Kitchen Well Placed
The kitchen is conveniently placed next to the dining room, an arrangement that saves many valuable steps and much precious time both when the table is being set and when the dishes are being cleared away. Working counters, with cabinets above and below, are arranged in an L extending from the refrigerator, next to the doorway leading from the dining room, along the front wall and up the right wall to the stove.

Breakfast Nook
There is a broom closet, convenient for storing an assortment of cleaning materials and equipment, located in the right back corner of the room—just a few steps from the glazed back entrance. Measuring 11 by 8 feet, 6 inches, the kitchen has ample space in the left back corner for a cozy little breakfast nook. The window in the back wall will provide sufficient light and sunshine for the area and give a more cheerful and pleasant atmosphere to the breakfast nook.

The terrace may be partly covered if desired. A doorway from this pro-

jected terrace opens in the back of the garage so that it isn't necessary to actually go out into the cold or wet when entering or leaving the garage. Large enough in which to store screens, garden tools, etc., the garage is 20 by 13 feet, and receives plenty of daylight through its three windows.

Both bedrooms and the all-modern bathroom are located in the projecting left wing of the house and are connected by a straight central hallway. There is an abundance of storage in this section of the house, for each bedroom boasts an extra-large closet; there is another large closet opening off the hallway, and a smaller closet in the bathroom.

Cross Ventilation

Measuring 12 by 11 feet, the back bedroom has two back windows and one in the side wall, assuring you of sufficient cross ventilation and sunshine. The front bedroom, 11 by 11 feet, 4 inches, also offers the benefits of cross ventilation for it has one window in the front wall and another in the left wall.

Both bedrooms are large enough to accommodate twin beds and either one could be used for the master bedroom. There is also sufficient unbroken wall area in both rooms for installing bunk beds for the small fry.

If you're building on a budget you'll appreciate the money-saving fact that a cellar is required only under the living room.

Complete plans and specifications for the Alton or any other home in this series are available at moderate cost. To ascertain the exact price of these documents write to the Home Building Editor, Dept. 18, The Gettysburg Times, and enclose a self-addressed envelope bearing a 3-cent stamp. At least one week should be allowed for a reply.

Wash Walls Before Applying Paint

In painting the interior walls of older homes, the home owner should first remove the thin layer of grease and smoke which often clings there, although it may not be perceptible. This film, which is most frequently found on the walls of kitchens, prevents the new paint from adhering properly.

Where smirched walls are to be

Painted, they should first be washed with soap and water, to which a little ammonia may be added, and finally rinsed with water.

Cracks in the plaster should be well dampened and filled with a paste of plaster of paris or patching plaster. When the plaster of paris has hardened, it should be scraped or sanded until it is smooth. It is likely to be more porous than the plaster of the wall and should therefore be given preliminary applications of the paint to be used on the whole surface.

Completion Speeded By Dry-built Plan

Elimination of interior decoration problems, including plastering and papering, is assured if a house is finished with an all-wood interior.

Constructing the house entirely of lumber does away with delays due to plaster drying (as well as the mess that goes with any plastering operation) and avoids the introduction of a considerable quantity of water involved in the plastering of any wall. It also expedites completion of the structure and reduces wall cracks.

Maintenance thereafter is no problem, either, with wood paneled walls. Traditional knotty pine or clear pine finished in a light modern treatment is easy to keep clean and doesn't require re-doing every year or two.

Prepare In Summer For Winter Comfort

Home owners are urged to take advantage of the summer months to winter-condition their houses before the fall rush begins, and thus benefit by the lower prices that often prevail in the slack season.

Included in the items that should be installed during the summer are storm windows and doors, weatherstripping of all doors and windows, complete full-thickness insulation of exposed walls and roofs. All cracks in exterior siding and around window and door frames should be closed

with caulking compounds during the summer.

Cost of these improvements is low and the resulting fuel savings, amounting to more than 50 per cent will pay for the work within three years.

Philadelphia, Sept. 12 (AP)—Two men were killed and two others burned when paint fumes exploded and burst into flames Monday in the hold of a freighter docked for repairs in a northeast Philadelphia shipyard. The blast occurred 70 feet below the deck of the Victory ship Charles A. Keefer.

Dead of burns are Harry H. Rebl, Jr., 21, and Vincent P. McQuire, 25. McQuire died that night, Rebl early Tuesday.

All Carriers Will Carry Atomic Bombs

New York, Sept. 12 (AP)—The navy has dropped a hint that all U. S. aircraft carriers eventually will carry atomic bombs.

The information came on Monday from Vice Admiral Lynde D. McCormick at recommissioning ceremonies for the 32,000-ton carrier Wasp.

McCormick, commander-in-chief of the Atlantic Fleet, said the "size of the atomic bomb has been reduced and its availability increased."

He added that he thought all U. S. carriers "will be equipped with atomic bombs," but wouldn't elaborate.

\$20,000 ARSON PLOT BLOWS UP AND KILLS TWO

New York, Sept. 12 (AP)—A furtive drawn-out plot to burn a small clothing firm to collect \$20,000 insurance blacked Tuesday into triple arrests after two men died in a thunderous, million-dollar blast and fire.

The victims were a city detective and one of the alleged arsonists he had trailed into a nine-story Manhattan business building Monday night. The structure was wrecked when 55 gallons of gasoline blew up.

Another detective was blown through a wall, and a second accused "torch" was thrown five stories down an elevator shaft, landing in the basement atop an elevator car. Both were seriously hurt.

Fire Rages 3 Hours

The terrific explosion, which police said fumbled arsonists had planned as only a minor one, shattered windows for blocks around. The fire raged out of control for more than three hours.

The building was on West 18th street, just off Fifth avenue.

Charged with homicide and arson were Al Keshner, 42-year-old president of a sports coat firm on the building's fifth floor, and two alleged henchmen, Jack Weiss, 67, and Jake Mayron, 59.

The other alleged arsonist—named as the man who set off the fuse and who died in the ensuing holocaust—was Moe Shapiro.

Assistant District Attorney Al Herman said that Keshner admitted that discouragement over loss of an account had led him to hire the gang for \$1,350 to burn his plant so he could collect the insurance.

"It's one of the most unusual crimes I've seen," said Detective Chief Conrad Rothengast.

Detectives, who had been watching the four men for 40 days, reconstructed this finale of the plot:

Bungle Arson Plot

An open drum had been filled with gasoline—far too much for burning Keshner's plant—and a fuse of cord strung out some distance from the drum.

The men apparently expected the fuse to allow them time to escape but they failed to consider the heavy vapors escaping from the barrel of fuel.

The four men were seen entering the building. When Keshner and Mayron emerged, they were arrested. Two other detectives, Howard Phelan and James Daggett, slipped along the corridors, watching the others.

Then came the blast. Phelan said he remembered flying through a wall, and groping downstairs with his clothing afire. He managed to seize Weiss as the latter tried to flee. Both were hospitalized.

Strain-Worry Getting You Down

Iron-Iodine Starved Blood and Glands Leave Thousands Feeling "Only Half-Alive"

If you have been ill, ailing, out of condition or low-spirited and, possibly because you fail to get sufficient Vitamins and Iron from the food you eat, you do not "come back" as quickly as you should—you owe it to yourself to get a bottle of the new Iodine-Iron-Vitamin reconstructive tonic known as FERRIZAN.

Do not confuse Ferrizan with old-fashioned liquid Iron tonics. Ferrizan is more than a tonic. It is a truly modern Dietary Supplement that, because of its Iodine content, does infinitely more than either Iron or Vitamins alone or in combination. Nerves should be steadier—eyes brighter—appetite back—physically and mentally more alert—your outlook on life much more optimistic.

Judge Rupp Gives Up On Nomination Fight

Harrisburg, Sept. 12 (AP)—Judge J. Paul Rupp has dropped a contest of Judge Walter R. Sohn's Republican nomination for judge of the Dauphin county court at the July 24 primary.

The official count gave Sohn 209 more votes than Rupp in the close contest. Rupp's attorneys made charges of fraud but a three-judge court refused to hear them.

Rupp said in a statement that he has instructed his attorneys "not to proceed further in the matter."

Rupp sought the GOP nomination for another term at the primary. Sohn, appointed to fill a vacancy, is running for a full 10-year term.

Woman Lost in Williamsport Fire

Williamsport, Pa., Sept. 12 (AP)—A woman burned to death and a man suffered severe burns Tuesday in a fire which swept a house and grocery store here.

The victim, Mrs. Bessie Heim, 75, widow of a Methodist minister, lost her life in an unnecessary effort to rescue Richard S. Sanders, 85, for whom she kept house.

Sanders occupied a two-story frame house on a street corner, with a grocery store located back of it, facing the other street. Firemen

Shapiro were recovered later.

Fire Marshal Martin Scott estimated damage to the building, contents, and surrounding area will exceed \$1,000,000.

PUT SQUEEZE ON IRAN'S POUNDS

Tehran, Iran, Sept. 12 (AP)—Britain's economic pressure in the oil nationalization dispute pushed the black market dollar rate up 20 percent Tuesday, amid talk of an Iranian financial crisis.

The spurt in the dollar rate came as the result of a British treasury announcement restricting the use of Iranian-held sterling and stopping the conversion of Iran's pounds into dollars.

The British financial squeeze brought trouble for Premier Mohammed Mossadegh, who already faced a growing revolt in Parliament over his ultimatum to Britain to reopen talks on the nationalization of Anglo-Iranian Oil company holdings. He has told the British to resume talks in two weeks or have their technicians ousted from Iran.

The British answer, apparently aimed at unsettling Nationalist Mossadegh, was to cut off Iran's dollar supplies, stop her transactions in sterling, and her right to convert

were uncertain whether the fire started in the house or the grocery store.

Mrs. Heim ran for help when she noticed the fire but re-entered the blazing building a few minutes later, thinking Sanders still was in it. However, Sanders, although severely burned, had escaped from the burning building through a garage room.

Mrs. America Vote Arouses Protests

New York, Sept. 12 (AP)—Mrs. Penny Duncan of New York city reigned as the new Mrs. America today amid irate protests from a number of the contest judges who claimed she was not the "real winner."

"Me? I won't even judge horses after this," snorted screen star Wendell Corey who charged that the coveted beauty title should have gone to Mrs. Peggy E. Creel—Mrs. Central Florida—who "received the most votes." Mrs. Creel finished third in the contest. Corey said the Florida beauty actually received 23 of the judges' 24 votes.

Corey's protest was termed a publicity stunt by Bert Nevins, managing director of the beauty competition staged annually at Asbury Park, N. J.

14th Alaskan Crash In 7 Weeks Kills 1

Anchorage, Alaska, Sept. 12 (AP)—A B-17 bomber crash landed 100 miles north of Anchorage Monday, killing one man and injuring six others.

An engine exploded while the sterling into dollars, and halt the export of scarce goods from Britain to Iran.

The first reaction here was a jump in the black market dollar rate from 54 rials on Monday to 65 Tuesday, the highest rate in three years. The official value of the rial is a little more than three cents, or about 33 to the dollar.

craft was flying at 11,000 feet, causing the landing.

The accident was the 14th in a string of Alaska air disasters the past seven weeks which has claimed a toll of 95 dead or missing.

Only one of the injured in yesterday's crash was hurt seriously, but he is expected to recover.

The wreckage of the B-17 was spotted by a civilian flier after the plane had been reported missing. Para-rescue crews dropped at the spot and helicopters then began returning the survivors to their home Elmendorf base here. Only seven persons were aboard the plane.

The crash scene was between Talkeetna and Summit.

Atomic Energy Is Being Used To Can Fruit

Ann Arbor, Mich., Sept. 12 (AP)—Atomic energy may force the canning kettle to the sidelines one day soon.

Food preservation by atomic irradiation on an experimental basis has been achieved by University of Michigan researchers.

Prof. Lloyd E. Brownell of the College of Engineering, who is supervisor of the project, reported on it today.

He said several samples of raw beef have been exposed to the gamma rays without development of spoilage or odor or appreciable change in color.

Also subjected to the rays and now being studied are bananas, red plums, peaches, cherries, grapes, red raspberries and blueberries.

Prof. Brownell said that normal methods of preservation—canning, freezing and refrigeration, drying and dehydration, smoking, salting and use of chemical preservatives—all tend to modify the flavor, texture and food value.

The U. of M. scientist believes that if applied on a commercial scale this process could save millions of dollars lost on food spoilage each year.

Senate Test Lost By Administration

Washington, Sept. 12 (AP)—Administration forces, beaten in first round efforts to knock out of the price control laws a provision denounced by President Truman, still have not lost all hope.

The Senate Banking committee on Monday rejected 8 to 5 a move to repeal what the President termed "the terrible Capehart amendment." Senator Capehart (D-Ind.) has defended the provision and said it actually was written by four Democrats and two Republicans, and not by him alone.

The committee, after rejecting the repealer, ordered a week of public hearings to start Thursday on a compromise proposal.

At issue are the Capehart amendment, which allows sellers to pass on to consumers virtually all cost increases incurred between the start of the Korean war and last July 26, and a proposed substitute.

Flees East Germany With 3-Car Train

Hof, Germany, Sept. 12 (AP)—A Czech locomotive engineer made a successful dash Tuesday across the border to the freedom of West Germany, bringing with him 107 passengers in three train cars.

The train was en route from Eger in Czechoslovakia to Asch near the West German border.

When the train neared Asch, it detoured on another track so that it could continue to Selb-Ploesberg, West German border station.

FILE REQUESTS ON AUTO PRICES

Washington, Sept. 12 (AP)—Ford and Chrysler both filed requests for increased prices on Monday with the Office of Price Stabilization (OPS).

The office announced last Friday it would let auto makers raise new car prices by three to seven per cent, in view of increased production costs.

Ford's proposed increases were based on wholesale prices, to dealers. They were reported to be:

Fords—A 431 increase, ranging from \$41.35 to \$65.91.

Mercuries—2.83 per cent, ranging from \$40.45 to \$52.52.

Lincoln cosmopolitans—2.50 per cent, ranging from \$56.99 to \$70.77.

Other Lincolns—3.87 per cent, ranging from \$69.57 to \$75.06.

Chrysler based its percentage increases on retail prices at the factory. The company said its boosts averaged 6.5 per cent. As announced, they included:

Chrysler Windsor—\$156.

De Soto custom—\$147.

Dodge Coronet 4-door—\$117.

Plymouth Cranbrook 4-door sedan—\$108.

General Motors is expected to file proposed new prices on its line soon. The new prices go into effect five days after OPS approval.

Milford, Pa., Sept. 12 (AP)—Robert Watson, 55, of Port Carbon, Pa., was killed early Tuesday in a freak automobile accident on Route 209 near here.

Watson, repairing a fender on his car after it smashed into a pole, was hurled to the roadway, police said, when a trailing automobile rammed the car in the darkness.

TRUMAN CALLS CRITICS "LIARS"

Washington, Sept. 12 (AP)—President Truman denounced as "just a pack of lies" Tuesday charges that waste and extravagance are running wild in the government. Such charges are based on meaningless "butterfly statistics," the President said.

And he declared that those who claim the government is spending itself into bankruptcy are doing so "to frighten voters—particularly as visions of elections dance through the heads of gentlemen who are politically inclined."

In a bristling speech dedicating a new government building, the President said emphatically that the United States is stronger economically than ever before.

He singled out for special criticism a recent magazine article purporting to show governmental waste and extravagance. He did not mention the magazine by name, but plainly referred to the Reader's Digest, which carried a table of figures supposedly showing that non-defense expenditures had increased anywhere from 100 per cent to 1,000 per cent between 1940 and 1950.

"It was just a pack of lies," Mr. Truman asserted.

BRADEN SCORES PERON AND U. S.

New York, Sept. 12 (AP)—Spruille Braden, U. S. ambassador in Argentina for five months in 1945, accuses Juan Peron of threatening to have him and American newsmen there assassinated.

Peron then was vice president and headed the war and labor ministries. Now he is president.

Braden said American writers in Buenos Aires were beaten by Peron's Nationalist hoodlums and others were threatened with physical mistreatment.

Braden's charge was contained in an article written for Look magazine. In Buenos Aires, Peron's press office and other government officials declined comment.

Braden was withdrawn from his post by the State Department for a Washington assignment. His article contended that U. S. Latin American policy "pusyfooted, compromised and sold its soul in the name of expediency" in the last four years. He blamed "higher ups and kitchen cabinets, not only in the State Department but also in the White House and Pentagon."

SGT. MAITLAND
HURT IN TRUCK
CRASH IN KOREA

Word has been received that Sgt. John Maitland, husband of Myra Redding Maitland, North Queen street, and a son of Mr. and Mrs. George L. Maitland, West King street, who has been serving with the Marines in Korea, was recently injured in a truck accident.

His family has been informed that he and a companion were instructed during a move to the front to return to the rear of the lines for supplies. While fulfilling the order, the truck which they were driving struck the side of a mountain and they were pinned beneath the vehicle. Sergeant Maitland suffered several broken ribs and other injuries. He has been removed to a hospital ship.

Mahlon Weikert, son of Mr. and Mrs. Stanley Weikert, Park avenue, left on Sunday to begin his freshman year at Shippensburg State Teachers' college. Weikert was graduated from the Littlestown Junior-Senior high school with the class of 1951 and was salutatorian of his class.

Mr. and Mrs. Theron W. Spangler and daughter, Marilyn, North Queen street, spent the week-end at the home of Mr. and Mrs. Douglas Moore and daughter, Jean, Stockton, N. J., during which time they at-

tended the wedding of Miss Eleanor Friedman and James Eline, which took place at Colton chapel, Lafayette college, Easton, Mr. and Mrs. Spangler's son-in-law and daughter, Mr. and Mrs. Robert L. Scholl, Perryville, Md., also spent the week-end at the Moore home. Mrs. Scholl and Miss Moore were bridesmaids for Miss Friedman, who was their roommate while all three were students at Cedar Crest college, Allentown.

George Harner, a student at Shippensburg State Teachers' college, has returned there after spending the past two weeks at the home of his mother, Mrs. Bertha Harner, and family, Crouse Park. Mr. Harner attended the summer sessions at the college and has now begun his senior year, majoring in elementary education.

Scouts On Outing
Members of Littlestown Boy Scout Troop No. 84 participated in the two-day field meet held Saturday and Sunday at Camp Conewago for approximately 150 scouts and leaders from ten troops and four Explorer Posts of the York-Adams Boy Scout district. Those from Troop No. 84 taking part were Richard Myers, John Busbey, James Sellman, James Hahn, James Blevins, Larry Snyder, Larry Worley, Leonard Potter, Barron Cornell, Dale Dutterer, James Barnes and Richard Horner. The ten pitching contest was won by Larry Snyder and James Hahn. John Busbey won the undressing relay. They received ribbon awards. Accompanying the scouts were Scoutmaster Edgar A. Wolfe, assistant Scoutmasters Edward B. Gelman and Glenn Dutterer. The regular weekly meeting of the troop will be held this evening at 7:30 o'clock in

the basement of the Littlestown State bank building.

A Rotary chest auction was the feature of the Tuesday evening meeting of the Littlestown club, at Schottie's hotel, South Queen street. Articles were donated by the members, most of which signified the business of the donor. A. W. Schott and Frank E. Besehor were the auctioneers.

Theron W. Spangler, vice president, announced that the club had been invited by the Towson club to go on the Rotary cruise on the Chesapeake bay on Saturday, September 22. Tickets for the Rotarians and their lady guests planning to attend may be secured from Mr. Spangler. President Charles E. Ritter announced that the local club has been invited to participate in Milton S. Hershey Day at Hershey on

Thursday. Dr. Frederick Tilberg, of the Gettysburg club, was a guest Tuesday. It was decided to conclude the auction at the next meeting on Tuesday, September 18, at 6:15 p.m., at Schottie's.

New York, Sept. 12 (AP)—The newest chemical miracle is glass lace. It was announced to the twelfth International Congress of Pure and Applied Chemistry Tuesday by the Corning Glass Works, Corning, N. Y.

The lace is made with a new form of glass called opal. The glass is perfectly transparent, latest in a series sensitive to light. This one is sensitive to sun-tan or ultra-violet rays.

Baled rubber often is shipped in rubber wrappings.
